Carriers liability shall not exceed \$2.00 per pound (\$4.41 per KG) on the total weight of the shipment unless a higher value is declared on the face of the bill of lading by the consignor and an additional charge of 3% of the declared value in excess of the \$2.00 per pound is paid to the carrier. The carrier reserves the right to decline any shipment with a declared value in excess of \$1000.00. This limitation of liability shall apply notwithstanding any disclosure of the nature of extraordinary value of the goods. The amount of any loss or damage including without limitation consequential, indirect or incidental damages including loss of earnings or profit in any manner resulting whether or not from negligence from loss or damage to the goods and/or delivery failure to deliver or delay in delivery of the goods for which the carrier may be liable. The present bill of lading constitutes the only instrument and agreement between the carrier and the consignor and no employee or representative of the carrier is authorized to add or to modify any provision of this document and agreement.
